

## Rang Mahal's Navratan Menu

Navratan is the Hindi word for Nine Jewels.

In the 16th century, Akbar The Great was the Mughal Emperor of India. Within his court, Akbar had nine learned royal advisors and all were artists and intellectuals selected for their great minds. These nine extraordinary people were known as the "Navaratnas".

Atul Kochhar's Navratan Menu presents nine signature dishes, the Navaratnas of Rang Mahal.
